Popular Coach Is Re-engaged by Washburn.

Turned Out Two Winning Football Teams in Three Years.

PROSPECTS ARE GOOD

Plenty of New Material on Hand to Form Strong Team.

Finances Are in Better Shape Than Ever Before.

Dr. Garfield W. Weede, who has been ball team for three seasons past, will again be at the head of the Blue squad, his services having been re-engaged for Toledo coaching the Washburn college foothis services having been re-engaged for his services having been re-engaged for next season. This news will be received Minneapolis St. Paul. Kansas City. with approval by all the football fans of Topeka who have placed more than Columb ordinary dependence on the ability of

Dr. Weede to turn out winning teams. By securing Weede the Washburn authorities have fortified themselves in the football line, for there are few if any football mentors in the state who have done more than Dr. Weede. He came to Washburn in 1906, new to the material and the strength of Kansas teams. That year but for a fluke defeat his team would have had a perfect record, and that fluke was overlooked when the final reckoning for the Kansas championship took place. During that season Weede's proteges met three state universities, which at that time numbered among the heaviest teams in the west, All three—Colorado, Kansas and Oklahoma were held to 0-8 Kansas and Oklahoma were held to 0-

In 1907 Weede did still better and In 1907 Weede did still better and turned out a team that went through the entire season undefeated, downing the haughty Jayhawkers and all the teams of the state in an easy manner. This team not only won undisputed honors in the state, but were recognized by the authorities as standing tied with Nebraska for Missourivalley honors.

Last season the record of the Washburn team was not so good. The Bine
was several times humbled. But it
wasn't Weede's fault—it was due to a
scarcity of material with which to form
a winning football machine. There were

This year the weede will find a larger

WHERE THEY PLAY TOMORROW. Sloux City at Topeka. Lincoln at Wichita. Des Moines at Denver.

Omaha at Pueblo.

The Sioux City team which opens here tomorrow, was the pennant winner last season, and should prove a greater drawing card than the Lincoln team. Sioux City has about the same quality of a team this season.

Manager Hamilton Patterson of the Pueblo team will not be able to remain with the Indians this season. He is back in Sunville after having been in Chicago conferring with Manager Mc-leer regarding his chances of remaining with Pueblo. McAleer has ordered him to report to the Progress Manager Manager him to report to the Progress Manager him to the progress of the Progress Manager him to the Progress Manager him to the progress of the Progress Manager him to the Progress Manager him to the progress of the Progress Manager him to the Progress Man dered him to report to the Browns May 2. The recent reverses of the Browns is declared to be responsible for the change. This will make George Hog-riever the manager. Hoggy will have one thing to work with—a bunch of good witchers.

Jesse James will not play with the Pueblo team this season. James is on a farm at Dwight, Ill., and although he was paid a personal visit by Patterson, he refused to leave his father's farm. It is the general supposition however that Pueblo has enough pitchers without James.

Tip O'Neill was scheduled to be in Pueblo yesterday for the second clash between the Des Moines and Pueblo

Manager Dwyer of the Des Moines team is only 22 years of age, and is the youngest manager in the circuit.

The reports sent out from Pueblo re-

Catcher Le Brand of the Omaha team jumped at Grand Island on the way to Denver, and took the next train for California where he has accepted terms with one of the outlaw clubs.

Walter Good, a Denver amateur, has been signed to act as second catcher. Out at Denver there was no parade to mark the opening. A band went around town in a street car which was decorated with baseball announcements.

Weston in Missouri.

Montgomery City, Mo., May 1.—
Edw. Payson Weston, the pedestrian, arrived here tonight on his way to the west. The high winds of the past two days have retarded him.

The Sioux City team will reach To-peka tomorrow morning at four o'clock. Tessie Alderman, one time a Topeka pitcher, will be one of the centers of attraction.

Umpire Mulien will remain here for the Sioux City series. He has given good satisfaction and Topeka is strong for him, even though he is the smallest member of the staff.

Jack Bolin, the Wichita holdout pitcher, attended the opening game in Wichita but said nothing about play-ing to Holland.

Bert Shaner was called to Webb City early in the week on account of the ill-ness of his fiances. He returned for the opening series so as not to leave Hol-land in the hole. He will return early next week, if she is no better.

Yesterday's game was called off on account of the cold weather.

avenue yesterday afternoon, Jay clad in modest civilian dress and Gagnier with his green velvet vest. This is the first time in many years that the veteran outfielder hasn't started the Manager Hamiltonian and the started the Manager Hamiltonian and the started the season.

Young Harris left today for Lyons where he will pitch this summer. He will probably pitch against Junction City Sunday.

Hutchinson has Richter a youngster who tried to play third with Wichita. Richter went to Enid and then to the Salties,

Hutchinson has released Catcher Bramwell who was secured from the Pittsburg Western association team.

Brownlee, a youngster from Webb City, is getting a tryout with the Hutchinson team. Zink met him playing second for Milton.

Wellington is building boxes in front of the grandstand for the benefit of the fans. Frank Genins, once manager of the

Hutchinson team, is playing with the Freeport team in the Wisconsin

Jimmy Austin, the star third baseman last season with the Omaha club, is breaking into the game with New York occasionally and is making pretty good use of himself.

Great Bend is bound to have at least one good pitcher this season in Harris, the youngster belonging to Cooley. If Harris doesn't land pretty close to the top, most of the dopists will miss their guesses.

Catcher Heine Berger of the Cleveland team is going back. Berger is a native of Sloux City.

Kuns, the big six foot twirler of the McPherson team is in Omaha, called there by the illness of his wife.

McPherson has a new pitcher, Walter Conner of Glenwood, Ia. He is a

The reports sent out from Pueblo regarding the enormous attendance are misleading and probably incorrect. In Pueblo the grandstand and seating capacity is not large, and the town lacks several thousand of being as large as Topeka.

McPherson has a new pitcher, the few conner of Glenwood, Ia. He is a southpaw.
